- Planning for the future (we have a strategic plan which is updated yearly).
- Overseeing one or more of NTA's program or functional areas and an active participant in NTA's activities.
- Helping with fundraising.
- Being alert to community values, trends, concerns to assist the board with creative ideas to develop art opportunities to support our community, our two artisan galleries and our exhibit spaces.

Board members typically participate more in the areas that align with their particular areas of interest. Together we ensure that the board complies with our governing documents and the requirements of being a 501c3 nonprofit.

How we Work
