Overview: NTA will provide Artist retail gallery space to display artwork for Holly Arts 2026. Art is placed voluntarily at the Artist's discretion. At no time does NTA own the works, nor is NTA ever responsible for replacing work that is lost, damaged or stolen while in its possession. Works are not insured by NTA and remain the property of the Artist until the works are sold and paid for in full by the purchaser or removed from the exhibit by the Artist. Art must be consistent with the work submitted in the Artists' application and with the theme of the exhibit. Artwork will be juried.

Work Presentation

Artists are responsible for a professional presentation of their work. For wall artists, this includes framing, wiring and hanging their artwork. 3D artists may bring display materials. NTA reserves the right to discuss rearranging with the Artist or remove artwork if the exhibit area is severely overcrowded or does not meet the standards below.

Labels – For wall art a label template will be provided. 3D art may have smaller tags. Each item must be labeled with the price, your initials and the exhibit initials.

Frames - If artwork is framed it must be in good condition, free of scrapes, and wired for hanging. No sawtooth hangers are allowed.

Prints - Prints and cards may be shown, but the majority of work should be original.

3D artwork - Glass cubes and space on tables will be available for display.

Promotional Materials - Business cards and brochures may be displayed within the Artist's allocated space. Any containers placed on a wall must be removable without damaging the wall.

Social Media and Cross-Promotion

Artists will be promoted on the North Tahoe Arts website and social media. Artists are also asked to promote their own exhibit and help spread awareness of NTA. Artist agrees to participate in Artist Receptions.
